Todas las ventajas de nuestros suelos vinílicos, ahora también en revestimiento de pared: instalación rápida y sencilla, resistencia al agua, gran durabilidad y una estética natural de acabados nobles.

All the benefits of our vinyl ooring, now available for wall cladding: quick and easy installation, water resistance, long-lasting durability, and a natural look with premium finishes.

Instalación fácil y rápida encolados a la pared. Ahorro de un 50% en tiempo y mano de obra respecto a un alicatado convencional.

Easy and quick wall-glued installation. Saves up to 50% in time and labor compared to traditional tiling.
